Angsana Laguna Phuket invites couples to Mix it Up this Valentine's Day

Phuket, Thailand - January 2016: This coming February, couples will have the chance to put a cool spin on their Valentine's celebration with DJ classes at Phuket's leading beach club, XANA. The right beat, the correct rhythm, a great song choice and a cool attitude makes a great DJ and sets the tone for an amazing evening. This Valentine's, XANA Beach Club at **Angsana Laguna Phuket** has created a unique idea for a special date; a two-hour introductory DJ course to set couples up with skills to become the life of their next party.

During the exclusive class, couples can learn to mix and scratch favourite songs, guided by professional DJs who will explain the workings of a DJ console; they will learn how to make and mix music on turntables as well as recognise beats, aligning them with the right rhythm.

The course culminates with a practical session to test the couples' skill and attitude. When the couple are ready to take to the stage, they, along with other guests can enjoy their newly created music, dancing to their own beats! To make the experience extra special, the "new" DJs will be given the opportunity to play together with XANA's resident DJ for the evening!

XANA Beach Club opened in 2012 at Angsana Laguna Phuket and has since become the island's hotspot. With luxurious beach beds by day, XANA transforms into a happening party scene by night with internationally renowned DJ's casting their tunes over a magical setting on Bang Tao Beach. Guests who wish to relax can unwind in the 35-meter swimming pool or rent one of the private beach cabanas. Traditional Thai delicacies, tapas, Mediterranean cuisine or a BBQ are just some of the culinary treats that can be enjoyed at XANA.

XANA Beach Club is part of Angsana Laguna Phuket, a chic resort located on the Andaman Sea. With numerous facilities and activities, including seven restaurants, a 323-meter pool, Angsana Spa and a kids club, this beach resort is perfect for young couples and families.

The exclusive Valentine's DJ classes at Angsana Laguna Phuket start at approximately 44 € per couple (THB 1,500++). Advance bookings recommended.
