

PRESS RELEASE

MEETINGS THAT MAKE A DIFFERENCE: Incredible MICE Incentives and Corporate Retreats that Give Back to the Community

Singapore, May 2016 – Angsana Hotels and Resorts' stunning MICE facilities and dynamic programming ensure the most successful, polished and fun corporate events. Angsana Lăng Cô, Angsana Laguna Phuket and Angsana Bintan are located in an array of sought-after destinations, each of which has a specialised events team and a wide range of complimentary leisure and recreational activities including luscious golf courses. The in-house teams produce seamless and stress-free events while helping add value and excitement to every planner's programme.

As Earthcheck-certified sustainable events operators, Angsana offers an unparalleled **Meet for Good** incentive programme, allowing groups to contribute to the community and protect the environment. The resorts ensure that the impact of each event is quantified and all sustainability needs from venues to vendors are addressed. Additionally, several Meet for Good activities such as, visits to the orphanage or nursing homes, beach cleanup, cooking local dishes for the elderly and giving language classes to disadvantaged children, can be organised for participants at various properties.

Business with Adventure at Angsana Lăng Cô, Central Vietnam

Discuss business on a championship golf course, relax with a spa treatment, or visit the awe-inspiring UNESCO World Heritage Sites between meetings or stroll on the golden sandy beach.

Set amidst breath-taking views of the Truong Son Mountain Range and the East Vietnam Sea, guests can experience memorable corporate retreats at Angsana Lăng Cô. The property offers six meeting venues, four meeting rooms fully equipped with state-of-the-art facilities and modern amenities and a 392-square-metre glamorous grand ballroom able to host a gala, banquet or a formal dinner for 400 guests.

Angsana Lăng Cô also offers Meet for Good incentives to all participants and specially curated packages to suit all guests.
