PRESS RELEASE

Angsana Cayo Santa Maria Opens in Cuba
*The first Angsana in Americas and the second resort in Cuba
by Asian hotelier Banyan Tree Hotels & Resorts*

Cuba, November 2018 – White powdered beaches fringed by swaying palm trees and sparkling turquoise seas will welcome guests at Angsana Cayo Santa Maria in Cuba when it opens on 15 November 2018. Widely unexplored, the vicinity’s biodiversity is a UNESCO ecological treasure trove and with Angsana Cayo Santa Maria set amidst the delicate and endangered ecosystem, expect a beachfront resort that is sensitive to the local environment and one that uses local and natural materials.

Located on a pristine and private island off Cuba’s northern coast, the adults-only beach resort Angsana Cayo Santa Maria is accessible via a 48 kilometre causeway from the Cuban mainland. Its 252 rooms are built bright and spacious to capture the character and colours of the Caribbean and represent its vibrant beach and marine life.

Equipped with facilities for a beach holiday getaway, guests can relax at one of the restaurants and bars – including its beachfront grill or jazz lounge. The award-winning Angsana Spa will also welcome guests warmly with Asian-inspired spa treatments. Other facilities and services include an outdoor pool, gym and a wedding venue for couples.

Book the **all-inclusive Opening Offer** in a Cabana Deluxe with Ocean View from 1 September to 30 November 2018, for stays from 1 January to 30 April 2019. Rates start from USD119 per person per night for double occupancy and USD199 per person per night for single occupancy, inclusive of taxes.

A destination playground, the resort will offer guests a rare slice of peace and seclusion, away from the bustle of city life. For reservations, please visit www.angsana.com/en/booking
