## Scented Candles

Essential home items to enhance your sense of wellbeing: through the sense of smell, the delicate fragrance of candles can soothe the mind. You can customize the scent according to your personal preferences. In life, candles have become an adornment, an expression of one's state of mind, and an appreciation of beauty...

## Chinese Herbal Fragrance Pendant

Scent tablets (or fragrance sachets) are a type of incense that releases fragrance without burning. They are often used as home decorations or clothing accessories. The custom of wearing scent tablets dates back to ancient China, serving both as an aesthetic enhancement and for their revitalizing and refreshing effects. Today, many people enjoy creating their own personalized scent tablets to hang in their cars or use as closet air fresheners.

## Paper Quilling Bookmarks

Blooming Paths, Hand-Drawn Hearts.

Paper Quilling Bookmarks is a traditional Chinese handicraft. Using paper as the primary material, various beautiful patterns and shapes can be created through folding, rolling, pinching, and gluing.

## Chinese Style Bamboo Weaving Art

Using planar logic, experience the introductory skills of intangible cultural heritage bamboo weaving. Create handmade creative bamboo weaving paintings and share the beautiful time of intertwined bamboo art.

## Chinese Style Paper Cutting

Paper cutting art has a long history and is widely distributed. It is one of China's most famous folk art categories, dating back at least 1500 years. Chinese folk paper cutting can be roughly divided into two major categories: Northern style and Southern style. In general, Northern paper cuttings are mostly bold and unconstrained, while Southern paper cuttings are mostly delicate and refined.

## The Four Treasures of the Study

The Four Treasures of the Study carry the events of both past and present. (This refers to the brush, ink, paper, and inkstone used in traditional Chinese calligraphy and painting).

## Fish Lanterns

Fish lanterns are not only a type of lantern, but also a carrier of ancient culture, conveying people's longing for beauty and peace. Let us work together to ensure that the light of the fish lantern never fades away, and protect and inherit this precious cultural heritage. (Specifically the Koi fish).

## National Day Lanterns

Born in a prosperous era, bathed in glory, with the red flag fluttering, weave patriotic feelings with your hands during this special festival.

## Dragon Scale Knotting

Dragon scale knot bracelets, also known as lucky Koi bracelets, bring good luck! Life sometimes doesn't need to be too luxurious. A simple yet elegant bracelet can accompany you through every happy moment.

## Chinese Style Intangible Cultural Heritage Lacquer Fan

Each guest will have their own unique lacquer fan, hoping it will accompany you through one cool summer after another. In every wave of the fan, feel the precipitation of history and the inheritance of culture. Let this fan that travels through time witness our beautiful moments.

## Chinese Style Fan Painting

Fans were initially a tool of etiquette. Now, let us fill the fans with beautiful colors and personally experience the national style trend.

## Intangible Cultural Heritage Facial Masks

The national trend element has swept the country in recent years, and Peking Opera masks are the essence of traditional Chinese culture. Facial masks are a form of painting on the faces of traditional Chinese opera actors. While outlining the contours, drawing patterns, and applying colors to the masks, you can also learn about Peking Opera culture. This national quintessence art Peking Opera mask handicraft activity can not only understand Chinese history but also improve cultural literacy and cultivate sentiment.

## Writing Couplets

Every stroke is a beautiful wish.

## Ancient Papermaking

Cut some petals, some grass, and some leaves from nature, beat the pulp, copy the pulp, dry it, and design your own flower paper.

## Hand-Painted Oiled Paper Umbrella

The shape of the hand-painted oiled paper umbrella is round, implying perfection and reunion. The umbrella bone is made of bamboo, implying continuous improvement. As the earliest umbrella in the world, it has been used for more than 1,000 years, and the pure handmade oiled paper umbrella is the crystallization of the wisdom of our ancient Chinese people.

## Natural Woven Dream Catcher

Every child has a "dream" in their heart, and every beautiful dream born has the potential to create a miracle. The dream catcher, originating from Indian culture, is used to capture beautiful dreams and let nightmares disappear with the morning sun.

## Print Dyeing Canvas Bag

Choose your favorite plants, fix the pattern, and knock with stones to create a unique style work.

## Plant Spray Painting

Did you forget to put the cap back on the colored pen after using it? Reusing it will have unexpected surprises!

## Dripping Glue Herbal Plant Coaster

Collect your favorite leaves in the park, combine them according to your own ideas, and seal the dried flower plants into small decorations. This may invisibly bring you energy and encouragement. Do you believe in energy fields? Believe that everything around you is getting better and better~

## Nature Painting

There are no two identical leaves in the world, and it is difficult to find two identical stones. This is the beauty of nature, with its diverse and unique forms. Nature hides an "art world." Create with eyes that discover beauty! You can paint on individual stones, or combine stones of different shapes to draw a family, cacti, or delicious fruits. Stones are no longer monotonous and boring hard blocks, but beautiful ornaments and works of art.

## Painting Therapy

Painting therapy is a way to relieve psychological stress, reduce anxiety, and soothe emotions through painting art. It not only allows us to focus on the present but also allows us to release repressed emotions and achieve physical and mental relaxation.

## Nail Art

The combination of lines and nails, drawing each graceful pattern, we must constantly explore new things to make up for our curiosity about this time.

## Shadow Painting

Painting is another language of children. The ever-changing light and shadow of nature can always be keenly grasped by children. It is a beautiful thing to perceive the wonderful brushstrokes of nature!

## Egg Painting

Children created painted egg works with rich imagination and skillful hands. They painted funny images, animals, plants and other various patterns on the eggs and collided with each other, pinning their good expectations on spring.

## DIY Chinese Style Folding Fan

The handmade Chinese style folding fan is a folding fan with traditional Chinese culture as its theme. Its production process is meticulous and incorporates traditional Chinese style elements. Handmade Chinese style folding fans usually use high-quality bamboo or paper materials as the fan bones and use manual techniques to express traditional Chinese painting art on the folding fan.

## Chinese Style Kite

Children give full play to their imagination and hands-on ability, using various different paints to give wings to their imagination, creating unrestrained ancient styles, making national trend kites, and feeling the joy of kite formation. DIY kites are full of fun. Accompany your children to use their imagination and paint various national trend elements on the kites, and fly them together into the blue sky~

## Mosquito Repellent Spray

Mosquito repellent made with natural materials keeps you away from mosquito bites.

## Cloisonné Enamel

Cloisonné enamel, also known as Jingtai Blue craft painting, is an innovative Jingtai Blue plane painting based on the technical characteristics of wire inlay and blue dotting in the traditional Jingtai Blue enamel process. It is carefully made into various styles through unique craftsmanship. Each line is the soul of the work, carrying the spirit of craftsmanship and is a national intangible cultural heritage.

## Sachet Making

Choose your favorite spice combination and make your own sachet by hand.

## Coffee Handmade Soap

Thrown away coffee grounds can be turned into treasure! Experience the magical charm of hand-made coffee soap and protect the natural environment. Exuding a charming coffee scent, this natural handmade soap contains the magic given by nature. After use, you will feel that every bath is like being immersed in the magic of coffee.

## Floral Wax Tablet

Carefully arrange your carefully selected herbs and flowers. Surrounded by a light and fresh fragrance, seal the eternal contract between flowers, herbs and essential oils in a scented wax tablet, adding fragrance and color to a better life. It is not only a handicraft but also a work of art.

## Sandcastle

Sand is a solid, but also a fluid. The flowing form is fickle, so playing with sand can give full play to the baby's infinite imagination, cute shape, ergonomic design, comfortable grip, moderate volume, and easy for small hands to grasp.

## Music Box

Music boxes make people feel very romantic, representing the yearning for a warm and comfortable life. The sound is soft and warm, making people feel healed and happy.

## Little Architect

Building an Elf Tree House is not only fun, but also allows you to build your own building through imagination. Making a tree house effectively thinks about the combination of building materials, understands the relationship between space and shape, and better improves visual abilities.

## Lego Preserved Flower

Loving you is not just buying you flowers~ It is too ritualistic to be willing to spend time completing this gift. Spend time with your loved one to complete it together!

## Fun Clay

Various themed shapes for holidays.

## Pumpkin Twist Stick

Hang a cute little pumpkin pendant for Halloween, it feels strangely cute.

## Halloween Candy Bag Making

Halloween is a festival full of fantasy and mystery. Creating your own trick-or-treat bag adds endless fun and anticipation to this holiday.

## Christmas Hat Making

A Christmas hat is one of the iconic decorations of Christmas. Hand-made Christmas hats are not only full of warmth and personalized features, but also allow people to feel more joy and warmth during this holiday. Cultivate children's hands-on ability and innovative thinking.

# Games

## Guessing Lantern Riddles

Each lantern riddle is the crystallization of traditional Chinese culture.

## Chess and Card Games

Although the chess pieces are only black and white, they are colorful in the eyes of the chess players.

## Pitch-pot (Touhu)

Pitch-pot is throwing arrows into a pot, and the one who hits the most wins, and the loser drinks according to the prescribed number of cups. In the early days, it was for guests who could not shoot arrows to replace archery, and later it evolved into a game during banquets.

## Puppet Parade

We look forward to using the "puppet" psychological counseling tool, so that everyone can see themselves and others from a game perspective, and be healed in the game.

## Fun Jigsaw Puzzles

Children can learn the importance of observation and spatial imagination in the game, while enjoying the joy of success. It can also cultivate children's patience and meticulous attitude, and improve their hands-on ability and creativity.

## Three-Legged Race

Through the "three-legged race" game, children need to maintain balance during walking, which helps to exercise their physical coordination and balance ability.

## Children's Paradise

Let us start a journey of childlike innocence together. The children's paradise is the source of children's happiness, and it is also an excellent choice for your parent-child time!

## Children's Play House

There is a hidden small kitchen in the children's paradise. Children enhance their cognitive ability in the process of kneading, rubbing, pinching, peeling, and the parents and family members doing kitchen housework with their children is also a happy time to enjoy family affection, which can enhance the parent-child relationship and make children feel the warmth of the family.

## Wisdom Building Blocks

The indoor EPP building block paradise encourages children to use their creativity and imagination, and exercise hand-eye coordination and spatial imagination in the process of building building blocks. At the same time, through playing and exploring, cultivate children's teamwork awareness and problem-solving skills.

## Ball Pit

You can laugh unscrupulously in the ball pit. The ball pit is not only a paradise for children. I always imagine being like a child, carefree, rolling in the dreamy ball pit to abandon all worries and take cute pictures.

## Children's Sandpit

The sun is shining today, and the children have come to the long-awaited outdoor sand field again! With sand in hand, I have the world! As soon as they arrive at the sand field, the children can't wait to enter the sand pit and step on the soft sand, as if walking in the clouds, feeling light all over!

## Unpowered Go-Kart

Di Di Di, the soul driver is online, experiencing the speed and passion of karting, there is no coolness, only the cool me.

# Cooking

- Little Foodie
- Featured Cuisine

## Tanghulu

Eating a bite of sweetness really makes you happy! Tanghulu is not only the irreplaceable sweetness in the mouth, but also the infinite childhood memories. Holding a string of Tanghulu in your hand can define an incomparably beautiful and heartwarming picture. The whole process is healing and interesting, and the taste is not inferior at all!

## Herbal Mango Pomelo Sago

The efficacy of Mango Pomelo Sago actually comes from its ingredients. Mango and pomelo are rich in vitamins, while sago can invigorate the spleen and qi, and resolve phlegm in the lungs. Pomelo can also enhance physical fitness and make the body easier to absorb calcium and iron. Therefore, Mango Pomelo Sago has many benefits for the human body.

## Sushi DIY

Let the deliciousness and joy "roll" up! Double the deliciousness, double the joy!

# Specialty Cuisine

## Sunrise Breakfast

Enjoy a healthy and vibrant breakfast in the first rays of the morning sun.

## Sunset Afternoon Tea

Enjoy a lazy and pleasant afternoon tea in the afterglow of the setting sun.

## Specialty Cocktails

The bartender's personality is fully displayed in the taste of the cocktail. A soulful cocktail appropriately expresses the present moment...

## Poolside BBQ

Gather with friends, have a barbecue, play in the water, sing games, raise a glass and drink together, and enjoy a different fresh experience.

# Relaxation

- Spa
- Wellbeing

## Coffee Scrub

Homemade coffee grounds scrub helps to exfoliate, tighten the skin, and improve skin imperfections (goosebumps, cellulite). After use, you can clearly feel that the skin becomes smooth.

## Herbal Ball Therapy

The herbal ball is made of a variety of fragrances combined with a variety of herbs, which integrates the principle of traditional Chinese medicine's warm and hot circulation. When the hot herbal ball comes into contact with the skin, it quickly opens the pores, and the essence penetrates into the subcutaneous tissue. While quickly improving circulation and removing toxins, it relaxes muscles and bones, dredges meridians, promotes blood circulation and removes blood stasis, instantly relieves pain, purifies the body's respiratory system, soothes the body and mind, and achieves true purification of the mind and activates energy.

## Ultimate Rainmist

Rain and steam are intertwined, with refreshing body care, awakening the skin like morning dew, and invigorating the body and mind.

## Spring Forest

Angsana Spring Forest combines European spa facilities and Asian health essence, with a total of twelve different experiences: walking in the rain, Turkish bath, vitality massage pool, steam bath, sauna, herbal sauna, sea salt steam room, herbal steam bath, tropical shower, sensory shower, Swiss shower, ice spring.

## Healing Water Dance

Floating therapy can help the body and mind deeply relax. Floating therapy combines various elements of aquatic rehabilitation, such as massage, acupressure, joint mobilization, muscle stretching, and dance. Aquatic therapy will have some stretching, curling, twisting, and other movements to complete some physical movements that cannot be completed on the ground. In the water, swing our body with breathing.

## Singing Bowl

Singing bowl healing originates from ancient Eastern culture and heals the body and mind through the sound and vibration of singing bowls. The sound of singing bowls can help harmonize the body's energy, promote physical and mental balance, and allow our minds to be calmed and healed under the perception of hearing.

## Sunset Meditation

Sunset meditation is a special meditation practice, usually performed at sunset, designed to integrate the energy of the day, and through specific exercises to help dissolve the "rock-like" essence of personality, loosen suppressed energy flows, so that energy can flow again, and then be transformed into joy.

A group of six people are gathered around a wooden table outdoors at night, likely camping. They are smiling and taking a selfie with a smartphone. The table is set with various dishes, including a bowl of food, a martini glass, and several bottles. The scene is lit with warm, ambient lighting, possibly from string lights or a campfire, creating a cozy and social atmosphere. The background shows a dark tent structure.

# Distinctive features

- Special events
- Themed parties
- Bespoke weddings
- Themed rooms
- Outdoor camping
- Nail art for kids

## Horse Riding Experience

Every child can become a fearless and brave knight. When they whisper to the horse with a childlike innocence and gallop on horseback with full courage, the little knight's big dream will also sprout and grow in the spring breeze, accompanying the child on the wonderful road of growth.

## Bike Tour

The hotel provides bicycles for riding and enjoying the beautiful scenery~

## Marathon

The hotel holds comprehensive game challenges during special holidays, receives exquisite prizes, and has full of parent-child interaction. We look forward to your participation~

## Swimming Competition

The competition needs victory, but victory is not all of the competition.

## Earth Hour

Caring for the earth is not only in one hour or one weekend, we can take action in our own way. We express our respect for the earth with you, and have more expectations for a beautiful future of harmony between people and nature.

## Cycling Lights

Experience the fun of lighting up with kinetic energy generated by exercise.

## Find Check-in Spots

Darkness cannot cover your beauty, night shots are even more brilliant. Collect five check-in spots and post them on Moments to get a small prize.

## Carnival

The hotel holds comprehensive game challenges during special holidays, receives exquisite prizes, and has full of parent-child interaction. We look forward to your participation.

## New Year "Collect Five Blessings"

Guests can search for the Chinese character "福" (blessing/fortune) in indoor and outdoor areas, take photos with their phones or cameras to check-in. Collecting all 5 "福" characters not only earns you an exquisite gift, but also deepens your impression of the festival.

# Theme Parties

## New Year's Eve Party

Spend the New Year's Eve in a warm and festive atmosphere with your loved ones... Slowly savor the delicious food, and let the feeling of happiness soar...

## Private Cinema Party

Have a private party with friends and family and enjoy yourselves to the fullest.

## Outdoor Camping Sunset

The outdoor camping experience offers a unique perspective to enjoy the sunset. This experience combines the freedom of outdoor camping with the convenience of hotel services, allowing everyone to enjoy the beauty of nature while also enjoying high-quality service and facilities.

## Bubble Bath

In our guest rooms, you can enjoy a comfortable bubble bath, relax and indulge in each other's company in our tranquil accommodation environment.

## B.DUCK Theme Room

B.DUCK pillows, board games, building block tables, etc., inspire children to create freely and unleash their wildest imaginations.

## Children's Manicure

Discover the inspiration of colors from a child's perspective, and feel the collision of imagination and expression. Children's manicure designed for kids, safe and beautiful, watery and mild, does not hurt nails.

A large, illuminated aquarium tank is the central focus, displaying a massive whale shark swimming horizontally. The water is a deep, vibrant blue. Other marine life, including several stingrays and smaller fish, are visible in the background. In the foreground, the silhouettes of a diverse group of people, including children and adults, are seen from behind, looking into the tank. Some are holding up smartphones to take photos. The floor is dark and reflective, mirroring the silhouettes and the blue light from the tank.

# Nearby Attractions

## Zhuhai Kumpeng Karting Sports Center

Bring your kids for a karting experience and enjoy the thrill of speed! Overtaking on straight tracks, drifting on curves, feel the joy of surpassing each other on the track!
