Riad Venues & Courtyard Settings

Our 6 exclusive riads — each a restored 17th-century palace — offer distinct personalities for your celebration.

Every courtyard glows with hand-painted zellige tilework, sculpted stucco archways, and the fragrance of orange blossom that has perfumed these walls for centuries. Capacity ranges from 20 to 85 guests across exclusive-use bookings,

Culinary Artistry & Moroccan Feasts

Angsana Marrakech honours both the universality of love and the richness of Moroccan tradition. Our dedicated ceremonies team can arrange a traditional Berber blessing beneath the Atlas Mountains at golden hour, or an intimate civil ceremony officiated within the riad walls. For those wishing to incorporate authentic Moroccan rituals, we offer a pre-wedding hammam ceremony with black soap and argan oil, a henna evening with a master negaffa, and the joyful beats of Gnawa musicians and a brass fanfare — the full tapestry of a Marrakech celebration woven seamlessly into your modern wedding day.

Bespoke Decoration & Floral Design

Damask rose archways, suspended amber lanterns, and hand-woven silk drapes transform each riad into your personal vision. Every element — from saffron centrepieces to engraved brass tableware — is sourced from the finest artisans of the Medina

Ceremonies & Cultural Rituals

From traditional Berber blessings at golden hour to intimate civil ceremonies within the riad walls. We weave authentic rituals seamlessly into your day — hammam pre-wedding ceremonies, henna evenings with a master negaffa, and Gnawa musicians at dusk.

Morocco's ever-present culinary heritage

Royal Moroccan tradition meets contemporary refinement — slow-roasted lamb, hand-rolled bastilla, and rose-petal confections. Menus are crafted in close collaboration with you, from formal banquets on silver platters to communal feasts beneath the stars.

Guest Experiences & Excursions

Beyond the ceremony, immerse your guests in Marrakech's magic. We arrange private souk tours, Atlas Mountain day trips, spice market walks, cooking classes in the riad kitchen, and camel rides at sunset — curated memories for everyone who joins your celebration.

A Union of Souls in the Red City

Step through an unassuming wooden door in the winding alleys of the Marrakech Medina and leave the world behind. At Angsana Heritage Collection, your wedding isn't just an event; it's a homecoming. Here, the scent of orange blossoms and the gentle rhythm of a courtyard fountain provide the soundtrack to your vows.

The Journey Inward

Our collection of authentic Riads offers a tapestry of architectural romance—hand-carved stuccowork, vibrant Zellij tiles, and emerald-green courtyards that have stood the test of time. Your story becomes part of the Riad's history, woven into the very walls that have hosted centuries of celebrations.

A Village Within the Medina

The magic of Angsana Heritage Collection lies in our "Riad-to-Riad" experience. For larger weddings, your guests can be hosted across our six distinct properties, all located within walking distance of one another. This creates a "private village" atmosphere where the narrow streets of Marrakech become the hallways of your celebration, connecting your loved ones through a journey of discovery.
