Sense the moment

Our Philosophy

A statuesque tree found in the tropical rainforest of Asia, the Angsana is best noted for its crown of flowers that bursts into a fragrant shower of golden-yellow blooms unexpectedly. The glorious Angsana beholds the maxim to live life and savour time as it passes inexorably.

Sense of Serenity

Calm your mind and draw in the serenity of your surroundings. Relax as our therapist welcomes you with a soothing foot wipe. Complete the Angsana Spa experience with some post-treatment time to shed the cares of the world over a herbal drink and refreshments. All Angsana Spa treatments come with a complimentary 30-minute Calm Time of refreshments and relaxation. Enjoy the difference.
